Hello, I'm Betty and this is how my family and I celebrate Christmas.

During the weeks before Christmas Day, we decorate our home with paper decorations and colourful electric lights. We also decorate the (1)....., we write and send cards (2)

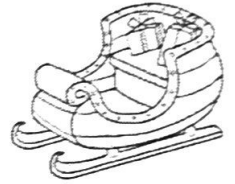

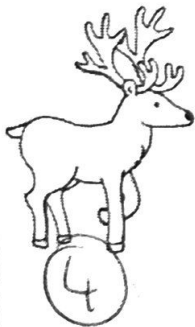

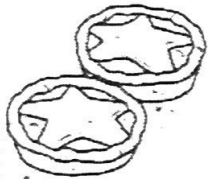

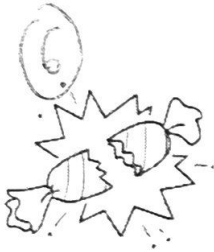

On Christmas Eve, I hang my (3)..... by the fireplace, then leave mince pies for Father Christmas, and a carrot for the (3).....

On Christmas Day, I wake up very early in the morning to find my stocking has been filled by (4).....

Then my family gather together to open the (5)..... that are under the Christmas tree.

Traditionally we place a Christmas cracker next to each plate on the Christmas dinner table. When we pull the (6)....., out falls a colourful party crown, a toy or gift and a joke.

Traditionally at Christmas dinner we have (7)....., brussels sprouts, roast potatoes and cranberry sauce. For pudding (dessert) there's always a rich, fruity pudding. (7)
